ABOUT THE EVENT

The Future Defence Conclave 2026 is an international platform bringing together leaders, policymakers, defence forces, industry innovators, researchers, and global defence companies. Hosted in New Delhi, the heart of India's strategic and defence decision-making, the conclave will showcase next-gen defence technology, policy discussions, procurement opportunities, and collaboration for a secure and sustainable future.

WHY NEW DELHI?

New Delhi is home to the headquarters of the Indian Armed Forces, DRDO, HAL, BEL, and multiple R&D labs. It hosts the Ministry of Defence and other key government departments, making it the hub of strategic defence policy, acquisitions, and innovation. Its ecosystem is ideal for an international defence-focused event.

PARTICIPATION BENEFITS

- ▶ Meet top defence officials, policy makers, and global buyers
- ▶ Showcase your products, technologies, and innovations
- ▶ Explore procurement opportunities with governments and defence forces
- ▶ Network with leading OEMs, PSUs, and private players
- ▶ Gain insights from high-level panel discussions and keynote sessions
- ▶ Access international partnerships and investment opportunities

The background of the slide is a photograph of a soldier in a trench. The soldier is wearing a green combat helmet and is holding a rifle. The scene is dimly lit, with the soldier's face partially visible in the shadows. The image has a green tint and is overlaid with a semi-transparent green rectangle that contains the text.
