

# **FRONTIERS IN NEUROLOGY & NEUROMUSCULAR RESEARCH 2026**

**September 23–24, 2026 | London, United Kingdom**

# ABOUT THE CONFERENCE

**Pulsecon Global** warmly invites participants to the 'Frontiers in **Neurology & Neuromuscular Research 2026**,' scheduled on **September 23–24, 2026**, in **London, UK**. This in-person conference will feature keynote lectures, panel discussions, and interactive sessions, bringing together global experts, clinicians, researchers, and industry leaders to explore advancements in diagnostics, treatment, rehabilitation, and digital health.

Join us to shape the future of patient care and research in neurology.

# CONFERENCE TOPICS

- Neurogenetics and Gene Therapies
- Artificial Intelligence in Neurodiagnostics
- Spinal Cord Stimulation and Recovery
- Peripheral Nerve Injury & Surgical Innovations
- Neuro-Immune Interactions in Neuromuscular Disorders
- Advanced Neuroimaging & Multimodal Diagnostics
- Rare Neurological and Neuromuscular Disorders
- Neurodevelopment and Pediatric Neuromuscular Syndromes
- Rehabilitation, Neuro-Robotics & Functional Recovery
- Digital Health Integration in Neurology
- Long COVID and Post-Viral Neuromuscular Syndromes
- Global Health, Equity & Policy in Neurological Care

# PROGRAMME SCHEDULE

## DAY 1: Frontiers in Neurogenetics, AI & Clinical Innovations

- **08:30 – 09:00** Registration & Welcome Coffee
- **09:00 – 09:20** Opening Ceremony & Welcome Remarks
- **09:20 – 10:00** Keynote 1: Shaping the Future of Neuromuscular Research
- **10:00 – 11:15** Plenary: Neurogenetics & AI in Neurology
- **11:15 – 11:30** Coffee Break
- **11:30 – 12:45** Parallel Scientific Sessions
- **12:45 – 13:45** Networking Lunch
- **13:45 – 15:00** Parallel Scientific Sessions
- **15:00 – 15:30** Coffee Break
- **15:30 – 16:30** Panel: Equity & Access in Neuromuscular Care
- **16:30 – 17:00** Poster & Networking Session
- **17:00 – 17:30** Closing Plenary: Translating Neuro-Muscular Discoveries

## DAY 2: Translational Research, Robotics & Holistic Care

- **08:30 – 09:00** Morning Coffee & Networking
- **09:00 – 09:40** Keynote 2: Neuro-Robotics, AI & Rehabilitation
- **09:40 – 11:00** Plenary Panel: Innovations in Recovery & Rehabilitation
- **11:00 – 11:15** Coffee Break
- **11:15 – 12:30** Parallel Scientific Sessions
- **12:30 – 13:30** Lunch & Networking
- **13:30 – 14:45** Parallel Scientific Sessions
- **14:45 – 15:15** Coffee Break
- **15:15 – 16:15** Plenary: Computational Neuroscience & AI
- **16:00 – 16:45** Special Symposium: Brain–Gut–Muscle Axis
- **16:45 – 17:15** Awards & Recognition Ceremony
- **17:15 – 17:30** Closing Remarks & Future Outlook

# REGISTRATION INFORMATION

## **In-Person Benefits:**

- Access to all sessions, posters, and exhibitions
- Conference kit with program & abstract book
- Lunch and refreshments included
- Certificate of Participation

## **Virtual Benefits:**

- Access to live-streamed sessions
- E-abstract book & program
- E-certificate of presentation & participation

Register at: <https://www.pulseconglobal.com/frontiersinneurology-london2026>

# WHY ATTEND?

- Network with global experts & peers
- Share your research & gain recognition
- Explore innovations in neurology & neuromuscular research
- Gain insights from leading keynote speakers
- Collaborate with academia, industry, and healthcare leaders

# VENUE & ACCOMMODATION

## Venue: London, United Kingdom

Join us in the heart of London, a city rich in culture and heritage. With world-class facilities, the venue ensures a professional yet inspiring environment for collaboration and networking. Accommodation options are available near the conference venue.
